Dear Hiring Manager,

I am excited to apply for the Frontend Engineer position at your company. As a Frontend Engineer with a strong background in HTML, CSS, JavaScript, Vue, and React, I am confident in my ability to make a valuable contribution to your team.

I have completed a range of full stack, frontend development, backend development, and mobile app development projects, which demonstrate my versatility and ability to learn new technologies quickly. I also have training and certifications in Vue development and Web Development from Udemy and Veritas University College, as well as skills certifications in Responsive Web Design and JavaScript Algorithms and Data Structures from freeCodeCamp.

In addition to my technical skills, I have a Masters of Business Administration from Lincoln University College KL and a Diploma in Information Technology from Kolej Teknologi Paramount. My past employment experience has also given me the opportunity to develop strong communication and teamwork skills.

I am excited at the opportunity to join your team and contribute my skills and experience to your organization. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team's success.

Sincerely, Rajaruban Chettiar a/l Rajindram
